

You should carefully read the following ThemeLead terms and conditions. Your download, purchase or use of any products from our Website (<http://ThemeLead.com>) implies that you have read and accepted these terms and conditions. If you have any questions or concerns, please contact us through the contact page.

GENERAL

We grants you non-exclusive limited license to use the products sold through our web site, <http://themelead.com>, in accordance with these Terms and Conditions (the “license”) issued by our company. Here, the term “product” includes Joomla templates, extensions, WordPress themes, plugins and any materials related.

Commercial WordPress Themes and Plugins

The PHP code portions of product that interacts via linking with the WordPress CMS are released under the GNU/GPL v2 license. Unless otherwise stated, all images, flash files and cascading style sheets (css) files are released under a ThemeLead.com Proprietary License and may not be redistributed or repackaged for use other than those allowed by this “Terms and Conditions”.

Commercial Joomla Templates and Extensions

The PHP code portions of product that interacts via linking with the Joomla! CMS are released under the GNU/GPL v2 license. Unless otherwise stated, all images, flash files and cascading style sheets (css) files are released under a ThemeLead.com Proprietary License and may not be redistributed or repackaged for use other than those allowed by this “Terms and Conditions”.

Free Themes and Add-ons

The whole product is released under GNU/GPL v2 license.

USAGE

You have the right to use each purchased copy of our product only on one domain or one (sub-) domain if you purchased the PRO license package. For example, test.themelead.com and themelead.com are 2 difference (sub-) domains. If you purchased a DEV license package, you can use the product on as many domains as you want.

Also, you can download new updates of our products for LIFETIME. However, product support depends on the package you bought as following:

- PRO Licensed Product – 06 months dedicated support
- DEV Licensed Product – 12 months dedicated support
- Free Product – Forum support only if the product is in original non-modified condition

When your membership expires, you can still use all products downloaded during your membership period without paying any extra fee.

You can use Free products of ThemeLead for your own websites and for your client's websites, and even free to include them as part of a chargeable service. The main thing to remember here is that all credits must remain in the product which is a requirement of the GPL license.

MODIFICATIONS

You are authorized to make any necessary modification(s) to our products to fit your purposes.

You may not redistribute or resell any modifications as GPL licenses or other unauthorized use without our permission.

You may not store any of our products, modified or unmodified, on a diskette, CD, DVD, website or any other medium and offer them for redistribution or resale of any kind without prior written permission from ThemeLead.com.

You may not sub-license, assign, or transfer your license to anyone else without our permission.

If you want to have exclusive rights on any of our products, please contact us through this website.

OWNERSHIP

You cannot claim intellectual or exclusive ownership to any of our products, modified or unmodified on the Site. All products are properties of ThemeLead.com.

Our products are provided "as is" without warranty of any kind, either expressed or implied.

In no event shall we be liable for any damages including, but not limited to, direct, indirect, special, incidental or consequential damages or other losses arising out of the use of or inability to use our products.

USE OF CONTENT

You acknowledge that ThemeLead.com contains editorial materials and graphic which is protected by copyright, trademark or other proprietary rights.

You may not transfer or sell, reproduce, create derivative works from, distribute, or in any way exploit any of the content in ThemeLead.com without our permission.

If you want to have exclusive rights on any materials published here, please contact us through this website.

PAYMENTS

2Checkout, Inc. is an authorized retailer of ThemeLead.com. We have chosen this retailer as the most reliable and comfortable payment provider for our customers. However, you can use PayPal as an alternative method of payment.

We also accept payments from credit card through payment gateway 2CheckOut.com, which accepts all kinds of credit cards. The payment will be processed through secured link for each product or service.

DELIVERY

After we successfully received full payment for the product, you will be able to download your purchased product. From this time on, you can re-download your purchased product at any time with your registered email and password. Also, the download information will be emailed to the email address you provided during the payment process (2CheckOut or PayPal email).

You will be able to download the product right after successful payment. However, if after 1 hour from the successful payment, by some accidentally technical problem you can't receive an email with download link, contact us through this website. We will fix it as soon as possible.

Some customer purchases can be pending for manual antifraud check up to review of PayPal or 2Checkout. Antifraud check occurs due to the growing number of fraudulent transactions from persons who are not actual cardholders of the credit cards used during purchase.
